MOLITVA SVETOM JOSIPU…uzor radnicima!

Dični sv. Josipe, ti si uzor svim radnicima. Izmoli mi milost da savjesno radim i dadnem više prednost ispunjenju svojih obveza nego svim mojim nagnućima. Potiči me zahvalno i radosno koristiti i razvijati talente koje mi je Bog darovao. Potiči me i na to misliti da ću jednom morati polagati račun za izgubljeno vrijeme i propuštanje dobra. Sve za Isusa i Mariju prema tvojem uzoru, sveti Josipe! Neka to bude moja misao vodilja u životu i u smrti. Amen.

POZIV NA SVETOST

Obzorja su posuta divnim jesenjim bojama, lišće ušuškava staze i pute, priroda se sprema za zimski san. U prohladno jesenje veče, dok pozlatnom lišću povlačim hod, razmišljam kako smo samo prolaznici vijugavim stazama ove kuće koju nazivamo Zemljom. Proslavili smo blagdan Svih Svetih i Dušni dan. Pitam se kako su mnogi, ipak uspjeli živjeti svetost?

Čega se sve moramo odreći da bismo postigli svetost i je li moguće danas, pod pritiskom hedonističkog svijeta i duhovnog relativizma, živjeti sveto i biti svet? Ako se osvrnemo na živote brojnih kršćanskih svetaca vidjet ćemo da svetost nije određena za neke malobrojne ljude, koji su nekim posebnim, gotovo magičnim sposobnostima, postali sveti. Mnogi su od njih bili obični ljudi sa svim bolima i ograničenjima smrtnika, a često i s navezanošću na propadljiva blaga ovoga svijeta i užitke kojima je teško odoljeti. Pa što ih je onda razlikovalo od drugih? To što su se usudili biti drugačiji. Mnogi su ostavljali lagodan život, velebne palače, igranke i razuzdana društva i hodeći vrlutnim stazama, niz hridi vlastitoga srca, pokazivali drugima što znači biti drukčiji od svijeta, a istovremeno svojim životom mijenjali i preobražavali taj isti svijet. **Znali su da propadljiva blaga ovoga svijeta nisu siguran temelj na kojem se gradi kuća od bitka te prihvaćajući vlastita ograničenja i učeći se uvijek iznova poniznosti „umirali" sebi da bi živjeli za druge. Učili su uzdići vlastitu dušu iznad privida i siromaštva zemnoga svijeta i težiti prema** nepropadljivim **dobrima. Znali su se povući u osamu, osluškivati tišinu i pustiti milosti da im rasvijetli puteve. Tako su nam pokazali kako se postaje svet.**

Usudimo se i mi danas, u ovom nemirnom svijetu, biti drugačiji i živjeti svetost. **Zbacimo koprenu vlastite oholosti, laži i licemjerja kako bi naša poniznost zasjala u svoj svojoj punini. Tako će rasti naša duhovna snaga jer će biti sidrena u predanju Bogu. Ta će nas snaga osposobljavati za djela ljubavi, koja će čudesnim isijavanjem svoje ljepote natapati i razrasti u nama klicu svetosti sve do punine vječnoga života.**

Our Eternal Perfection In Christ
(33rd Sunday in Ordinary Time)

The readings of this thirty third Sunday of ordinary time are all set in a prophetic tone. In order words, they point to the future deliverance of the people of God. This is the way the Holy mother church wishes to remind us that we are just a couple of days away from the end of this liturgical year B. They also remind us of the graceful and glorious seasons of Advent and Christmas that are ahead of us. Most importantly, this Sunday the holy mother church raises our hope of salvation. Hence, she reminds us of our future and eternal perfection to be made possible by Christ's single and sanctifying offering.

In today's gospel, Jesus employs different natural causes in order to remind us of the need to be on the guard for his great coming. The mood of Jesus' message moves from the prophecies of the great tribulation and trials to the prophecies of the coming of the son of man and his angels to gather his elect. The climax of the speech lies in the fact that no one knows when this deliverance will happen. However, the overall impact of Jesus' message is to remind us of the fact that he is a prophet and at the same time our savior.

Finally by saying that chaos will precede his coming is simple to say that nothing will be able to stop what God has destined to happen. Its primary purpose is to set all the tragedies of life, warfare, destruction and persecution in the context of the establishment of God's kingdom. However after all, the time of peace will return to the children of God whose names are found written in the book. Also, by saying that: **"*Heaven and earth will pass away, but my word will not pass away unfulfilled*," Jesus wishes to remind us that his coming and our salvation is sure. So, He invites us to be prepared for new kingdom that God will establish.**

GODINA SVETOG JOSIPA

Papa Franjo je Apostolskim pismom *„Patris Corde" (Očinskim srcem)* otvorio **8. XII. 2020. godinu sv. Josipa**. Trajat će do 8. XII. 2021. **Prigoda za otvaranje ove godine je 150. obljetnica otkako je Papa Pio IX. Proglasio sv. Josipa zaštitnikom opće Crkve.** Mi završavamo s pobožnostima sv. Josipu, treće srijede, **17. studenoga**.

A Parent's Prayer to Saint Joseph

O glorious St. Joseph, to you God committed the care of His only begotten Son amid the many dangers of this world. We come to you and ask you to take under your special protection the children God has given us. Through holy baptism they became children of God and members of His holy Church. We consecrate them to you today, that through this consecration they may become your foster children. Guard them, guide their steps in life, form their hearts after the hearts of Jesus and Mary.

St. Joseph, who felt the tribulation and worry of a parent when the child Jesus was lost, protect our dear children for time and eternity. May you be their father and counsellor. Let them, like Jesus, grow in age as well as in wisdom and grace before God and men. Preserve them from the corruption of his world, and give us the grace one day to be united with them in Heaven forever. Amen.
