27TH SUNDAY IN ORDINARY TIME

When we hear today's readings, we can understand the challenge of preaching the Gospel today. We live at a time when divorce is common and acceptable in most countries and cultures.

People want easily out of a marriage that is going through problems and will find ways to get out of it without looking at the spiritual implications. It used to be that men seem always to want another younger woman! Today sometimes it is the woman who wants a younger man. We have a new equality in the making!

At the base of all of these problems is a real challenge: Do I have a true spiritual life? Am I marrying with the goal of spiritual life? Where does spirituality fit into my marriage? As a spouse, am I committed to developing the spiritual life with my partner?

If my Catholic faith is alive within me as a living experience of God, I will surely marry in a different way than if my Catholic faith is something that I have just inherited and has not become a living faith within me.

Then there is the whole problem today of someone who has gone through a "valid" Catholic marriage, but who did not have a real faith at that time. Later, the marriage breaks up. The person begins to grow spiritually and deeply embraces his or her Catholic faith. Then that person meets someone else who is alive in their faith and they want to be married in the Church. The Catholic Church has not found a solution for that yet! But it is one of the great challenges of our time to develop a theology that is truly compassionate while at the same time is true to the teachings of the Church.

For any of us, the challenge of this Sunday and its readings is very simple: Is my faith alive? Do I really seek the living God? Does my life reflect a living relationship with God and a constant striving to understand His word and put it into action in my life. Let us pray for those gifts.

Let us pray for all who have divorced. Let us pray for the healing of the sufferings of those who have divorced. Most of all, let us pray for God to be known as a compassionate and loving God and may we reflect that compassion and love.

Prigoda za otvaranje ove godine je **150. obljetnica otkako je Papa Pio IX. Proglasio sv. Josipa zaštitnikom opće Crkve.** Mi nastavljamo s pobožnostima u ovoj godini sv. JESTE LI REGISTRIRANI?

Pozivamo punoljetne mlade ljude, koji su završili školu ili fakultet i počeli raditi da se registriraju u članove župe sv. Pavla. Njihov dolazak ucrkvu ne znači da su automatski registrirani. Ako žele biti kumovi na krizmi ili krštenju, i dobiti potvrdu UVIJET JE **REGISTRACIJA** U ŽUPI i svakako redovit **dolazak na svete mise, kao i davanje dobrog primjera** drugima. Nemojte tražiti registraciju tek onda kad vas netko pozove za kumstvo. Učinite to ***bolje danas nego sutra***!

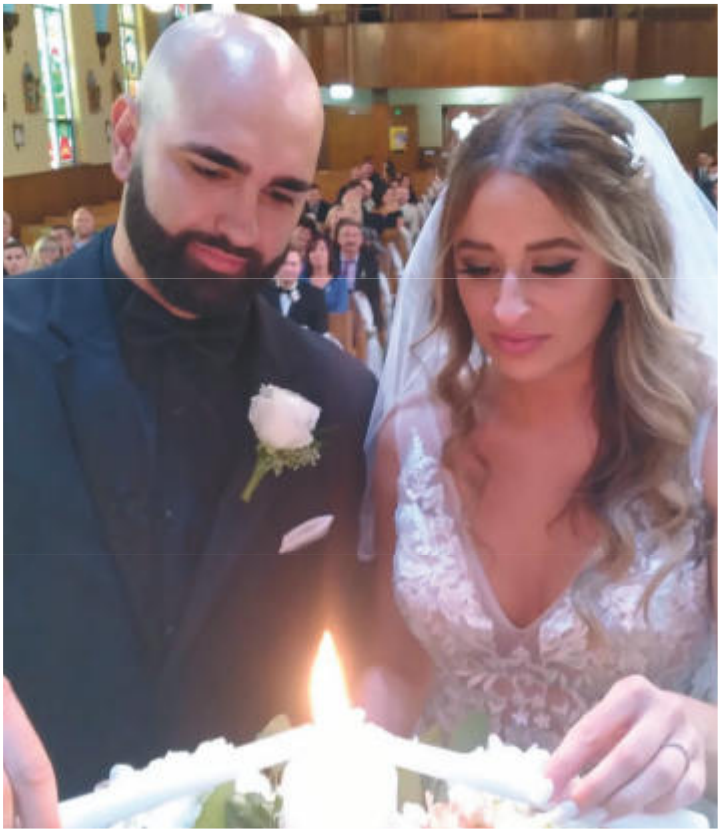

ARE YOU OFFICIALLY REGISTERED?

Many people think that just because they regularly attend a parish that they are automatically registered. Registration is a commitment to a community… a way to be included in the religious, social and ministerial activities of the parish. Your registration affects the parish in many ways. Census numbers help determine how many priests are assigned to a church, what benefits and obligations the community has to the Diocese and how Masses, confessions and devotions are planned and scheduled.
