LOVE ONE ANOTHER . . .

Jesus gives his disciples a new commandment: **love one another.** The love Jesus is telling his disciples to follow is not the sentimental view of love. **Jesus is teaching them the type of love that is shown in service and sacrifice.** Jesus tells the disciples that people will know that they are his disciples because the way they act and support each other.

He tells them it will be difficult to choose love when faced with hatred and anger. They will be tested. Jesus didn't tell us how to love he showed us. Jesus gives words about love that he backs up with his actions. We show we are Jesus disciples by loving one another with good deeds.

Jesus showed his love for us by dying on the Cross to save us from our sins.

We see this example in the lives of the martyrs and saints. We see it in our daily lives of good people making small and large sacrifices for each other.

Loving like Jesus means being loving in our words and actions, even when it might be hard.

That is the challenge Jesus gave us to follow his example in our daily lives.
