Želim ti nove oči za USKRS

Dobio sam jednom čestitku za Uskrs, s vrlo kratkim sadržajem: *»Želim ti nove oči kako bi mogao u vrtlaru prepoznati uskrslog Učitelja.«*

Odmah mi pred oči dođe Marija Magdalena, njezine zaplakane i zbunjene oči koje su uporno tražile uokolo praznog groba. Ona se nikako nije mogla pomiriti sa Isusovom smrću. Ljubav prema Učitelju, probudila ju je u osvit zore i dovela do groba. Stajala je kod groba i plakala. Plač je izraz bolne spoznaje o ljudskoj krhkosti i ranjivosti. Iako duboko potresena istinom o Isusovoj smrti, Marija ne gubi nadu. Želi barem pronaći mrtvo Isusovo tijelo i iskazati mu poštovanje. *»Gospodine, ako si ga ti odnio, reci mi gdje si ga stavio i ja ću ga uzeti.«* **Nepomirenost sa smrću dovela je Mariju do susreta s Uskrslim.** Ona je tako žarko željela vidjeti Isusa, pa i mrtva. Tom gestom ona pokazuje da je **ljubav jača od smrti.**

U trenutku kada je stvarno ugledala Uskrslog, nije ga prepoznala. Nije dovoljno susresti živog Gospodina i vidjeti tjelesnim očima znakove njegova uskrsnuća. I dalje smo u opasnosti da zamijenimo Učitelja za vrtlara.

Za prepoznati Uskrslog **nisu dovoljne tjelesne oči**, fizičko i intelektualno poznavanje, već **oči vjere**, nove oči kojima je Marija bila obdarena u trenutku kad ju je Isus nazvao: ***»Marija«.*** Tek nakon što je čula svoje ime iz Učiteljevih usta, bila je u stanju prepoznati ga: ***»Rabbuni«.*** Od tog trenutka njen pogled zadobiva nova beskrajna obzorja koja nadilaze grobnu stvarnost. Ohrabrena, prosvijetljena, a nadasve radosna, Marija želi svima dojaviti: ***»Vidjela sam Gospodina.«*** I ZATO **TRČI, JAVITI APOSTOLIMA** I SVIMA OKO SEBE.

I mi plačemo kad nismo sposobni prepoznati znakove Uskrslog oko nas: kad ne vidimo izlaz iz tjeskoba, strahova i nemira, iz dubokih praznina i razočaranja. Kad plačemo, tada ne vidimo bistro, sve nam je mutno… Potrebne su nam nove oči kako bismo u gestama, riječima i činima, koje slavimo u euharistijskom slavlju, prepoznali Uskrslog.

Potrebne su nam nove oči kojima ćemo u ovoj sivoj, neizvjesnoj i nesigurnoj svakidašnjici, prepoznati uskrsna obzorja.

Dok vam **čestitam uskrs**, želim vam takve, nove oči vjere, s kojima ćete prepoznati Uskrsloga u svome životu. **SRETAN VAM USKRS!**

HOMILY . . . EASTER!

The reason Easter is significant is because God, through His infinite wisdom and love, transformed sin and its result (death) into a way to save the world.

This means that God turned the very things that separated humanity from Him into the means to bring us closer to Him.

While it may be difficult to fully grasp, it is worth reflecting on the idea that without Adam's sin, there would be no need for Jesus Christ to come into the world.

In other words, the sin of Adam and all subsequent sins are considered evil and morally wrong, but God, in His perfect wisdom and love, chose to use them as the means to bring salvation to the world.

How exactly did God do this? It was through the death and resurrection of Jesus Christ that sin and death were conquered, and all who believe in Him can have eternal life.

Therefore, God turned the tragedy of sin into an opportunity for redemption, demonstrating His boundless power and love in the process.

Jesus' Resurrection takes away the effects of all sin for those who cling to and embrace Him.

During Easter, it is important to hold fast to our risen Lord and to embrace the reality of His resurrection. We should strive to remain connected to Jesus who is alive and active, and to the transformative power of His resurrection.

There are numerous ways to maintain this connection. One approach is to find joy in all aspects of our lives, even in the midst of adversity.

By focusing on the positive, we can turn difficult situations into opportunities for growth and grace. For instance, whatever troubles us the most, whether it is anger, sadness or depression, has the potential to become a source of joy and grace if we view it in the right light.

It may seem difficult to believe, but it is possible for even our personal suffering, burdens, or sins to be transformed into sources of joy if we allow God to work through them.

The brutal crucifixion of Jesus, which appeared to be a terrible tragedy, turned out to be the greatest event in human history because of the resurrection that followed.

Similarly, by surrendering our struggles to God and allowing Him to transform them through His resurrection, we can find joy and hope in even the most difficult circumstances.

Just as Christ's death and resurrection brought about redemption and new life, our own struggles can be transformed into opportunities for growth and transformation, if we place our trust in God.

The essence of Easter is that nothing can prevent us from experiencing the joy that God intends for us. This joy cannot be taken away from us, despite any challenges or difficulties we may face.

Although we may struggle, as Jesus did during His agony in the garden and all the way to Calvary, these sufferings will not ultimately triumph.

If we remain steadfast in our faith and cling to Jesus, we can overcome any obstacle and experience the victory of His resurrection.

Just as Christ persevered and ultimately emerged victorious, we too can find hope and joy in the power of His resurrection.

It is God's desire for us to experience the joy of Easter in our lives, and to begin living in that joy even now.

So, let us embrace the Easter season with open hearts and minds, and rejoice in the triumph of Jesus over sin and death.

Happy Easter!
